○ Note

1. Application

- 1) Students(graduate, research) can apply for Building B(Studio) only when the applicant is going to reside with his/her spouse, and should enter the spouse's information in the cohabiting family information on mySNU application.
(The application will be retracted if a student applies for building A or there is no legal spouse information record)
- 2) For graduate students, a person in charge of approval of colleges should approve first, and then registration is available by SNU Gwanak Residence Halls.
- 3) Those who do not have a portal account must sign up for an ID first and then log in.

2. Cancellation of Residency

- 1) If the submission of documents and payment of maintenance fees are not completed within the designated period, we consider that you are giving up (renounce) your residence. (An application will be rendered invalid)
- 2) If false resident registration or residency is found, or false registration of cohabiting person is indicated in documents, [residency will be cancelled](#).
- 3) If there is any account that makes a resident ineligible for residency, the resident is required to leave voluntarily and will be immediately expelled if found.
- 4) Any unauthorized room transfer or an unregistered resident in the house will lead to immediate withdrawal.

Required Documents

- Submit originals **issued within 3 months** from the day you move in
- Issue family relations certificate on your own terms
- Appointment period should be stated in a certificate of job contract or an official letter and in case of full-time instructor, a certificate of employment is acceptable.

SNU Gwanak Residence Halls

Guidelines of Health Certificate and Measles Vaccination Certificate

1. Health Certificate

- 1) Validity of Health Certificate
 - Documents must be issued in the name of **“Medical Certificate”, “Health Certificate”**
 - **Result note, doctor’s note, notification letter and confirmation notes are invalid.**
 - Health certificates with an official seal from public health centers, general hospitals, and internal medicine departments are valid.
 - Only those who have been judged ‘ normal’ may move-in.

- 2) Required Tests
 - Chest x-ray screening that can be checked for Tuberculosis.
 - The required tests may differ according to medical institute. (required tests are decided by the medical institution)

- 3) Only health certificates **issued within 6 months from the move-in date are valid.**

2. Measles Vaccination Certificate (Measles Antibody Test)

- 1) Issue measles vaccination certificate
 - Print ‘ vaccination certificate’ from Korea CDC’s NIP (nip.cdc.go.kr) Only for Koreans

- 2) Verify vaccination (valid only if 2nd vaccination is complete)

Category	Required Documents
Measles Vaccination verified	Submit ‘vaccination certificate’
Vaccinated, but not verified on webpage	Submit ‘measles antibody test results’ after an antibody test ※ If the resident knows the hospital of vaccination, the resident may visit the hospital for a ‘ vaccination certificate’ and submit it
Not vaccinated	Submit ‘vaccination certificate’ after measles vaccination ※ Those not vaccinated must prepare beforehand to complete the 2nd vaccination before document submission period

3. Filling SNU Health Form (for Foreigners)

If it is difficult for foreigners to issue health examination and measles vaccination certificates in Korea, they can be replaced with Health Form attached.

1) Required examination : Measles and PPD or Chest X-ray must be included.

2) Note

- Health form must be completed by the hospital institution and include the institution name, address, phone number and an official seal in the hospital.
- Tuberculosis test is only valid when issued within 6 months of the date of moving in.
